We are looking for others who are willing to collaborate,

to see the reality of prayer come forth to bring an understanding of current LOSTNESS

around the globe. Both in your individual region and nation, and also in other “ends of the earth” areas. We are also asking for a larger network of prayer leaders who can come together to see what is it going to take to get to ZERO, and who want to help others to put a larger priority on prayer.

It is estimated that of the **6.7 billion** people alive in the world today, **1.2 to 1.4 billion have never heard the gospel of Jesus Christ.** According to Joshua Project.net there are approximately 16000 unique people groups in the world with about 6600 of them considered unreached. The vast majority (95%) of these least reached groups exist in the 10/40 window.

We are asking you to step in together to see what God is doing and how we can come alongside each other for the sake of those who still wait... Linking in a “two way discussion/prayer format” so together, we might see an invisible, yet tangible platform from which the “need” can go forth to every prayer group across the globe to be involved in praying for the unreached. We are just thinking out loud! And persistently prevailing to the Lord for such a venue.
