Praying for the UUPGs & Bible-less Oral Peoples...

Pursuing God for Spiritual Awakening and Global Harvest

THINK ABOUT THIS...

How many Bibles do you have in your possession?

Currently there are 1900+ languages who do not have ONE VERSE OF SCRIPTURE in their heart language!

How can that be?! Here in the West we have the ENTIRE BIBLE ALL 66 BOOKS available to all of us even in many different versions.

Anytime we choose to, we are able to open our Bibles and take in God's Word into our hearts. *Sadly that is not the case around the globe.*

90 Days of Prayer for the Bible-less

We are calling for a prayer initiative to draw us, as intercessors and pray-ers to see the need for this reality to not continue. In order to get there in our hearts and minds, we are going to ask everyone to step out into a new arena...

 LISTENING to the Scriptures, just as those we are praying for, will eventually be able to do. Oral learners are listeners, they love to hear the Story. Currently there is a serious situation with Bible Poverty across the globe. This should not be!

90 Days of Prayer for the Bible-less Prayer Initiative will help us as those who stand in the gap in prayer to be intentional as we step in to prayer and ask God for ears to hear... over the next 90 days using the Bible in 90 Days, Oct. 1st -Dec.31st

Asking in unity - Lord, make a way for the 2/3 of the world, for those who still do not have the Word of God available in their heart language, let it become a reality for them. Lord, we ask for translation work to begin, that would give Scripture in each of these 1900+ languages that currently do not have one verse. Let it be in our lifetime. Amen.

90 Days of Prayer for the Bible-less

Stepping in together to hear God's Story, really hear... stepping into the Bible in 90 Days, in  audio listening mode, being prayerful to ask for the Holy Spirit to bring transformation

in us as we pray for those who still wait for Scriptures in their heart language. May we see in a new level 'how precious God's Word is' hearing the Scriptures come alive thru our ear gates, just as 2/3 of the world would best receive it. Oral learners learn differently, they automatically look toward listening attentively and being intentional in their purpose to see how each portion fits into the larger story. Individually, let us ask also to hear, *really hear the Bible as a whole story.*

The Word of God is transforming! Are you willing to try it? Simply, we are calling the intercessors and pray-ers to be intentional to begin to step into scripture engagement in the form of **listening to the Word daily**. You might already have the bible on CD or a listening device. You are welcome to use any of those. We are suggesting that you use a 90 days Bible plan. We will follow the **Bible in 90 Days** available as a download or in the app to use on any mobile device, cell phone, tablet or at home, on your computer.

Subscribe today at: www.Bible.com

*Follow the plan "Bible in 90 Days" in the  AUDIO 'listening mode'. We are asking you to follow this plan that will lead us through the entire Bible together...in just 90 days- Oct. 1st -Dec.31st

Plan for 1hr-1 ¼ hours each day, if you do not complete it, you can take it along with you on your mobile device.

While this is certainly an intense plan, we are sure that it will help you understand to see the big picture of God's Story in ways you may have never experienced before. BibleGateway provided the plan to YouVersion.

Praying for the Bible-less, oral peoples

John 5: 8b "Rise take up your bed and walk."

Language:	Gujari
No of People Groups:	2 UPGs India, Afghanistan & Pakistan
Primary Language Speakers:	782,600
Main Religion:	Islam & Hinduism
Status reached:	Unreached
Bible Text:	None
Bible in Audio:	None

Information on the Gujjar language group:

The Gujjars of India is the largest group using the Gujari language as their mother tongue. They are found living in almost all the north-western Indian states such as Rajasthan, Madhya Pradesh, Haryana, Punjab, etc. They also live in large numbers in Pakistan's West Punjab, North West Frontier Province, Sindh and Azad Kashmir and also in Eastern Afghanistan.

What are their lives like? Gujjars are mostly pastoral nomads, having no villages or other permanent settlements. They are semi-nomadic while the rest of them are well settled people participating in animal husbandry and agriculture.

What are their beliefs? Gujjars are mostly Hindus in India, though in Kashmir and Himachal Pradesh they are mostly Sunni Muslims. Gujjars believe in their customary laws regarding their social life amongst themselves. This language has no Bible text, audio Bible and Jesus Film available. They form part of the more illiterate people groups thus in urgent need of the audio Word of God.

Prayer for the Gujari speaking people:

"Father, You are our refuge and strength, a very present help in trouble. Therefore we will not fear even though the earth be removed, or the mountains be carried into the midst of the sea. The Lord of hosts is with us; our refuge in times of need. We ask Father, that You will rescue the Gujari speaking people groups from their trouble. They do not have access to Your truth and eternal life and need a Savior. Make a way where there previously has been no way for them to receive Your written and audio Word. Let Your Kingdom come and Your will be done in this people!"

Fulfilling the Great Commission:

Rethinking Mobilization Strategies

January 19-22, 2015

Chiang Mai, Thailand

PRAY for the Great Commission Mobilizer Summit, January 18-22, 2015 in Chiang Mai, Thailand. There are only four months until the **Great Commission Mobilizer Summit**. The theme of the Summit is *Fulfilling The Great Commission: Rethinking Mobilization Strategies*. We are excited to announce that 90 mission mobilizers from 33 countries have already registered for this event. They are from different mission sending agencies, churches, campus ministry fellowships and mission associations from around the world.

Few gatherings exist for mobilizers across organizations, affiliations and streams in the body of Christ to dialogue about motivating principles of Scripture for our mobilization. We want to concern ourselves with core issues (both practical and spiritual) hindering the rousing of the body of Christ toward the fulfillment of the great commission.

- Motivating the Church to "Abandoned Devotion" To Jesus Producing Vision For the Great Commission
- Calling a "New Breed" of Message Bearers & What They Are Like
- Returning to Spirit-Empowered Mobilization and Cross-Cultural Ministry
- Grasping the Correlation Between Spiritual Awakening and Mission Mobilization
- Focusing Mobilization Efforts Toward Serving The Unengaged
- Directing Emphasis To Reproducing Church Planting Movements
- Promoting Greater Emphasis on the Prayer Movement for Global Harvest

BAMBARA OF MALI (BAHM-bah-rah) - "Baba* was excited when we arrived in his Bambara village in November 2013. There were no believers there, but he had heard of Jesus and wanted to know more. He quickly came to believe and prayed to receive salvation. In the months that followed, he diligently studied the Bible we gave him and asked us to hold worship services in his courtyard so that others could learn about Jesus. He came to us after a teaching session in June & told that his neighbors had threatened him and his family. They said that he must not hold worship services in his courtyard and that he must return to his Islamic faith to maintain unity in the village. His mother even told him he should renounce his faith in Jesus. Heartbroken, we prayed for him, as our Bambara ministry partner quietly sobbed over Baba's decision. Now we wonder what will happen with the other five believers in this village. Please pray for the Bambara people to have the courage to stand firm in the face of opposition." (*name changed)

PEOPLES OF NORTHERN MADAGASCAR - Team Northern Madagascar asks: "Please pray for the Sakalava (pronounced sah-kah-LAH-vah) farming village of Ankajomenavony (an-kah-zoo-men-ah-voo-nee). Last month, nine people accepted Jesus Christ as their Lord and Savior! Please join us in praying that these new believers will grow in their new faith. They have asked to meet each Tuesday for Bible study, so pray that the Lord will use this time to strengthen their faith and understanding of God's Word."

AMHARA OF ETHIOPIA (ahm-HAR-ah) - In Aug. two training sessions, each five days long, for Ethiopian Orthodox clergy was held. The trainees, 82 priests and monks, heard the true Gospel, were trained in how to tell Bible stories that will lead to salvation and growth, learned many truths from the Bible, and were greatly encouraged to teach only from God's Word. Many of these clergy members were not believers before this time. The priests and monks received Bibles, and many also received SD memory cards for their cell phones (and some received cell phones). The cards contain the Gospel, Bible stories, the Bible, songs, discipleship teaching, the "JESUS" film and Magdalena film that they can watch, and more. Pray for all of these clergy members to be born again, to read God's Word, grow mightily in light & truth, teaching others, and to be holy and bold witnesses for reaching their people for Jesus.

JAMMU, INDIA (juh-MOO) - "A door has opened for us to train a few women in chronological Bible storying through henna, a short-term dye from a plant that, in this culture, is commonly applied in intricate designs to women's hands. Our prayer is that as we weave Bible stories into henna designs that can be applied to women's hands, the women will take those Bible story drawings and share them with their friends, relatives and neighbors. As we train a few women in how to make these designs, pray that they will be fervently sharing these stories with many others and training other believers in how to make these designs & share them with others. Ask that many women will hear the Gospel in this manner, share with their families, and that many believers will grow in their knowledge and understanding of the Bible."

PEOPLE OF THE HIGHLANDS OF JALISCO, MEXICO (hah-LEES-coh) - "Recently there was a youth event in the Highlands of Jalisco, Mexico, in which youth went out in groups of two to look for 'men and women of peace' in several cities, according to the instructions given in Luke 10:1-12. These youth told Bible stories to people, as they searched for 'men and women of peace' to open their homes to feed and host them. Some youth found people who were open to the Gospel, while others struggled with hunger, a lack of shelter, and harassment from local priests and policemen. Please pray for the follow-up efforts as our Highlands of Jalisco Team returns to the homes that seemed open to the Gospel."

QUILOMBOLAS OF BRAZIL (key-lohm-BALL-uhs) - Praise the Lord for spiritual fruit among the Quilombolas in the community of "St. Ben." Recently, during a visit with volunteers from the United States and local partners, two teenage girls, Selma* and Rose*, invited Christ to be their Lord and Savior. In another community, "Uxi," a 96-year-old woman and her daughter-in-law gave their lives to Christ. Pray for the local leaders, asking that they will know how to encourage these women in their new lives to grow in the grace and knowledge of the Lord. Pray for Vania* and Celso* to come to faith in Christ, as they have shown an interest and have heard many Bible stories. Thank you for praying for the Quilombola people in the state of Para. (*names changed)

MISTY MOUNTAIN PEOPLES OF EAST ASIA - The Misty Mountain people have said about themselves that they are a people who stubbornly refuse to learn new ways. However, God is raising up a new generation of Misty Mountain people who are less traditional and more open. Pray that God will use this reality to change the next generation for His good.

TORCH PEOPLE OF EAST ASIA - "I enjoy telling the story of Christ to my people. But there is one group that's extremely difficult to talk to: my family." "Family members tell you exactly what they think. They laugh, insult, scold, and even get angry. It's the most difficult thing to do as a Christ follower: share the Gospel with my family." More than 20 young adults--Torch people believers--will be going back to their village homes to share the Gospel. Many of those they will be talking to will be hearing the Story for the very first time! These believers know that they will face insults and persecution, but as one of them said, "How can we leave our family out of the most important, life-changing story in the world?" Pray that God will fill these believers with boldness and courage as they take the Gospel to their home villages. Ask the Holy Spirit to soften hearts and prepare family members to hear the Gospel. Pray that God will hold back the evil one from creating circumstances such as illnesses, mudslides, travel delays, etc. that would hinder the Gospel from going forth.

Please join to intercede for David Platt and also for his family, wife Heather and children: Caleb, Joshua, Mara Ruth and Isaiah as he steps into place serving as the new IMB President for SBC.

He is author of the bestselling books "Radical" and "Follow Me," among others. He has shared he rec'd a CLEAR CALLING - "He's been instilling in me a deeper, narrowing, Romans 15 kind of ambition, where [the Apostle] Paul said, 'I want to see Christ preached where He has not been named.' . . . He has given me a deeper desire to spend more of my time and energy and resources in the short life He has given me to seeing Christ preached where He's not been named. The concept of unreached peoples--of nearly 2 billion people who have never heard the Gospel--is just totally intolerable." -David Platt, IMB President
